# Experience Enchantment

**C**ombine the timeless beauty of classical music with a touch of folk. A smattering of blues. A dash of Latin. A bit of jazz. Blend in spectacular mountains, a million-year-old majestic canyon carved by the Ice Age, sparkling blue green streams, forests teeming with wildlife and a quaint small town where smiles are the norm. Join us for more than two enchanting weeks of concerts and camaraderie at the 2009 Endless Mountain Music Festival.

Surrounded by magnificent mountain scenery and small town charm, the international festival offers a lineup of renowned musicians and world-class performances in communities in Northern Pennsylvania and the Finger Lakes Region of New York State.
